Particulate Respirator

**SERVICE TIME LIMITATION**

1. Do not use the same respirator for more than 8 hours, continuous or intermittent, in dusty workplaces that would result in high-dose breathing.
2. Leave contaminated areas and remove respirator if breathing becomes difficult or improper (it cannot be obtained or the respirator is damaged, soiled, or broken). Do not use the same respirator again until it has been properly cleaned and disinfected.
3. The maximum service time of this respirator is five (5) consecutive calendar days (including days of non-use), beginning from the first day of use.

**LIMITED WARRANTY**

**IMPORTANT NOTICE TO PURCHASER:**
This limited warranty is made in lieu of any warranties (implied or expressed), including those of merchantability and fitness for a particular purpose. Our products, and all other warranties, expressed or implied, are hereby disclaimed. This warranty is strictly limited to the use described herein, and will not apply to product used for any condition other than that for which it was designed and intended. This warranty is void if the product has been altered, abused, misused, damaged, neglected, under repair, or subject to any conditions or factors which impair its performance or effectiveness.

**WARNINGS:**

1. User must read fitting instructions and use instructions before use.
2. This respirator does not protect against the risk of contracting disease or infection.
3. Individuals highly sensitive to natural rubber latex may have an allergic reaction.
4. Before use, the wearer must be trained in the proper use in accordance with applicable safety and health standards for the contaminant and exposure level in the work area.

**Caution:**

The respirator should be fit checked for each wearing. Place both hands completely over the respirator and exhale. If it leaks around nose or edges, adjust the nosepiece and/or headband until a good fit is achieved.
